The Big Day - Your Questions Answered

We have got a date in mind for our wedding, what's the next step?

Please contact us as soon as possible to check availability. We occasionally have dates available up to the last minute, especially for less traditional days, such as weekdays and Sundays, so it's always worthwhile giving us a call. We can then arrange for you to come and visit the hotel to have a look around and discuss your general requirements without obligation.

You have the availability on our favoured date, how do we confirm our booking?

We will provisionally hold the date for you for up to 14 days. To confirm your booking, all you need to do is sign and return a copy of the Wedding Contract which we will send to you, together with your deposit of £500.00 and an indication of the numbers attending.

Deposits required:

An initial non-refundable deposit of £500 to be paid within 14 days of the provisional booking being made. The initial deposit must be accompanied by a signed copy of these terms and conditions.

Second Deposit: Six months prior to the date of the function, 50% of the minimum charge payable.

Third Deposit: Three months prior to the date of the function a further 25% of the minimum charge is payable.

Payments by credit card may only be made by the cardholder and cheques made payable to Chatsworth Hotel.

We strongly recommend that you take out a comprehensive insurance policy, as once deposits are paid they are non-refundable.

When do we discuss the final details?

Please contact Liz Tait, our Wedding Organiser, 6-8 weeks prior to your wedding day to discuss all final arrangements.

When do we need to agree our final numbers and pay the final balance?

Final guest numbers are required 2 weeks prior to the reception date. The final balance is payable one week prior based on final numbers advised and remaining bedrooms unsold. In the unfortunate event of cancellation, the cancellation charge is the sum of money you have already paid to the hotel.

When the final balance is requested, we will add a Security Deposit of £250.00 to guarantee the payment of any additional charges or any damages/breakages caused during the reception. This deposit will be refunded once the hotel management have confirmed that no charges are to be deducted from your security deposit.

Are we able to offer our guests preferential rates on accommodation if they wish to stay?

Take advantage of our special accommodation rates for your wedding guests so that they can have the convenience of staying at the hotel after your wedding.

We are happy to offer your wedding guests the following special wedding rate (subject to availability) inclusive of full English breakfast.

Inclusive Wedding Package Accommodation

You have an allocation of 9 bedrooms of various configurations. Any bedrooms remaining unsold two weeks' prior to your wedding date will be added to your final invoice. If you are able to, please advise how many doubles/twins/family rooms you will require in your 9 bedroom allocation.

Please ask your guests to call reservations on 01903 236103, quoting your names and wedding date, to reserve their rooms on the agreed rate.
